

 **Corporate QHSSE Policy Statement** 
(Quality, Health, Safety, Security, and Environment)

Our Commitment

We are a world-class company operating in oil & gas, mining, and industrial sectors. We are dedicated to excellence in Quality, Health, Safety, Security, and Environment (QHSSE) as the foundation of our sustainable growth and reputation.

Policy Principles

- **Quality** – Deliver reliable products and services that meet or exceed international standards, ensuring customer satisfaction and continuous improvement.
- **Health** – Protect and promote the wellbeing of our employees, contractors, and communities through safe, hygienic, and supportive workplaces.
- **Safety** – Uphold a “Zero Harm” culture by preventing incidents, empowering employees to stop unsafe work, and maintaining rigorous training and emergency preparedness.
- **Security** – Safeguard people, assets, information, and operations through robust physical, digital, and procedural protections.
- **Environment** – Minimize our footprint by reducing emissions, conserving resources, protecting biodiversity, and investing in sustainable technologies.

Leadership & Accountability

Our leadership is responsible for embedding QHSSE values into every decision and operation. Every employee and partner share accountability for upholding this policy.

Continuous Improvement

We commit to transparent reporting, compliance with all applicable laws, and benchmarking against global best practices. Through innovation and collaboration, we strive to achieve operational excellence and leave a positive legacy for future generations.
